GNE OF THE MOST ATTRACTIVE BUNGALOWS IN EL PASO FOR SALE.

The prettient and most complete bungations is El Paso; built of hard burned bollow tile with a centest pebble dush finish. It's less rambling lines and masoning of coblications is delightfully refreshing and different. There is a long perpola driversay leading to the garage. Commodious covered front porch. The architecture is the latest departure in the bungalow art.

The living room with its missive fisquare and bookcases on both sides invites you to a closer acquaintanceship. This room is separated from the dining room by large columns. The dining room, finished in a deft blue has a charm all its own. The buffet is 11 feet long and a most artistic piece of furniture. These two rooms laws beam cellings, the woodwork finished in a rich brown, the floors are sook, highly polished. The main diamber opens out on a terraced perch. This room is exceptionally sitractive with its French dears and large windows. The floors in the chambers are maple. The litterien is complete in every detail and was designed with a view to committed housekeeping. There is a maid's your micely feated, good lawn, shruibery and fruit trees. Lot, is 100×126.
